performance in awareness activities and organizing various programmes including awareness activities and extension & outreach activities. The purpose of this MOU is to define the areas for fundamental, socio- academic aspects in which the Parties desire to work together in the future for their mutual benefit to foster a collaborative frame work between Medical Welfare Association and MIMT Greater Noida in the field with a view to benefiting from each other's initiatives and working procedures and to support collaboration among the members associated with both Parties.

SCOPE:

This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments. If the Parties later agree to undertake specific joint projects with legally binding obligations, they will develop separate written agreements for such projects, setting out each Party's contributions, deliverables. Main areas of MOU are to conduct extension & outreach activities and awareness programs for the wellbeing of the society. Outreach is often meant to fill in the gap in the services provided by mainstream services, and is often carried out by those who have zeal, enthusiasm, passion, motivation and determination for social services. The term outreach, which applies to community outreach and outreach counseling and refers generally to efforts to increase the availability and utilization of services, especially through direct intervention and interaction with the target population. This Community Outreach Program will give students the opportunity to get involved in community service on a regular basis.

Objectives of Outreach and extension Programmes:

- To create an awareness of self-worth.
- To provide facilities for improving the conditions of life specifically for the poorer sections of society.
- To stimulate self reliance and self development in local communities.
- To encourage all segments of society, irrespective of caste, creed, religion or economic

FINANCIAL IMPLICATIONS

This MOU places no financial obligations or supplementary funding commitments on either party. These activities will be defined through separate programme agreements, detailing the commitment of resources (financial or otherwise) required from each institution. Subsequent programme agreements must be approved in advance in writing by the authorized representatives from both Parties. Each Party will be responsible for its own costs in connection with all matters relating to collaborations under this MoU. Where possible and appropriate, the parties may also seek funding for collaborations from Government and related agencies.

This MoU is also on broad based understanding between the parties and does not place any financial liabilities on any of the parties. In case there is joint financial involvement between both the parties for any awareness activities it would be decided on event basis in advance.

MODE OF OPERATION

Both parties will provide necessary support for effective implementation of the MoU within the institutional rules and procedures.
