Dear Mr. Abhishek Sharma,

I would like to express my sincere appreciation for Mangalmay Institute of Management & Technology, Greater Noida who's continued support in organizing industrial visits to our plant for the past few years. We are grateful that your institution has chosen Moon Beverages Ltd. (FBO-Coca-Cola) for your students to gain valuable insights into the manufacturing process.

We are confident that these visits will be beneficial to your students, and we look forward to having them with us in the future. We also appreciate the enthusiasm and dedication of your faculty members who accompany and guide the students during their visit.

Once again, thank you for entrusting us with this wonderful opportunity!

Sincerely,

Saurabh Singh
